### GENERAL ANNOUNCEMENTS

- **Student Fees and State Testing Scores** - we are mailing home a print out of student fees and last spring's state test results. You can pay student fees three ways: send a check with your student to give to the office, stop by the office and pay, or pay online at Pay Schools Central, or [www.payschoolscentral.com](http://www.payschoolscentral.com), which can be accessed on the school website as well.
- **Registration Paperwork** - a registration packet was sent home with students on Thursday. We would like the paperwork completed and returned as soon as possible. We must have updated paperwork each year in order to enroll your students. Thank you for your cooperation.
- **Bethel Busing** - Join Bethel Local Schools as a bus driver. If you like working with children and want to make a difference in your school and community, come join our transportation team. We offer Monday through Friday employment, a very good starting wage of \$18.89 an hour with no experience. Currently you can receive up to four (4) hours of route driving, and if you would like, there are various avenues to pursue to get additional driving time through field trips and extracurricular events. If interested in learning more, please contact the school at (937) 845-9414 or contact Gayle Rhoades at [rhoadesg@bethelk12.org](mailto:rhoadesg@bethelk12.org)

- **7th Grade Immunizations** - state law requires that students entering 7th grade receive the Tdap and meningococcal vaccines. Documentation of vaccinations must be provided to the middle school office. The deadline for receiving the vaccinations is September 10th. At that time any students without the vaccination record on file will be unenrolled from Bethel Schools.
  - **Vaccinations are available at Miami County Public Health by appointment only, 937-573-3518 or 937-573-3519**
  
- **Coupon Book Kickoff Sale** - On Tuesday August 27 the middle school will have the coupon book fundraiser kickoff. This fundraiser allows students to build funds to be used towards their Washington DC trip in 8th grade. It's a great way to put money in the bank towards DC!
